

Publications of **Prof. Antonio Marigo** (Selection)

"Influence of annealing and chain defects on the melting behaviour of poly(vinylidene-fluoride)"

C.Marega, A.Marigo

European Polymer Journal 39, 1713-1720 (2003)

"Small-angle X-ray scattering from polyethylene: Distorted lamellar structures"

C.Marega, A.Marigo, V.Causin

Journal of Applied Polymer Science 90, 2400-2407 (2003)

"Influence of thermal treatments, molecular weight, and molecular weight distribution on the crystallization of β -isotactic polypropylene"

A.Marigo, C.Marega, V.Causin, P.Ferrari

Journal of Applied Polymer Science 91, 1008-1012 (2004)

"Relationship between the Size of the Latex Beads and the Solid-Solid Phase Transitions in Emulsion Polymerized Poly(tetrafluoroethylene)"

C. Marega, A. Marigo, V. Causin, Valerj Kapeliouchko, E. Di Nicolo` , A. Sanguineti

Macromolecules, 37, 5630-5637 (2004)
